ABOUT SCHOOL OF ENGINEERING AND TECHNOLOGY (SET), SDGI GLOBAL UNIVERSITY

The School of Engineering & Technology (SET) at SDGI Global University offers industry-oriented programs designed to build strong technical foundations, innovation skills, and professional competence. SET provides cutting-edge specialisations in Computer Science, Artificial Intelligence & Machine Learning, Civil, Mechanical, Electrical, Electronics & Communication, and Aerospace Engineering. With a focus on practical learning, research, and industry integration, students gain hands-on experience through advanced laboratories, projects, and real-world applications. School programs are structured to develop problem-solving ability, leadership, and lifelong learning skills, preparing graduates for global careers and higher studies.

ABOUT SDGI GLOBAL UNIVERSITY

SDGI Global University is a multidisciplinary institution committed to academic excellence, innovation, and holistic development. Established with a vision to create globally competent professionals, SGU offers diverse programs across engineering, management, sciences, law, pharmacy, and humanities. The university focuses on quality education, industry integration, and research-driven learning, supported by modern infrastructure and experienced faculty. Recognized under the UGC Act, SGU aims to nurture skilled, ethical, and future-ready graduates. With a strong emphasis on practical exposure, innovation, and global outlook, SGU prepares students to excel in dynamic professional environments and contribute meaningfully to society.

ABOUT LAESCUELA EDUCATION

Laescuela Education is a quality-driven and research-focused professional organization committed to advancing global academic excellence. Established in February 2019 and

duly registered under the Companies Act, 2013 with the Ministry of Corporate Affairs, Government of India, Laescuela Education was founded with a clear mission to promote, support, and strengthen research culture among scholars worldwide. Operating both independently and through strategic collaborations, Laescuela Education partners with government and private universities, colleges, research organizations, and industry stakeholders. The organization actively seeks national and international affiliations with educational and professional associations, fostering global partnerships that drive innovation, interdisciplinary research, and academic growth.

Professor Akshay Divedi, Indian Institute of Technology Roorkee, India

Professor Raj Kumar, JC Bose University of Science and Technology, YMCA, Faridabad, India

Professor Vasudev Malhotra, JC Bose University of Science and Technology, YMCA, Faridabad, India

Professor R. K. Gupta, Manipal University Jaipur, India

Professor Hariprasad Tarigonda, Mohan Babu University, India

Professor Federico Del Giorgio Solfa, National University of La Plata, Argentina

Professor Syed Asadullah Hussaini, ISL Engineering College (Affiliated to Osmania University), Hyderabad, Telangana, India

Professor Ashwani Kumar, Bennett University NCR, India

Professor Rajnee Gaur, Lingaya's Vidyapeeth, India

Professor Vinit Prakash, Global Group of Institutions, India

Professor Pankaj Kumar Goswami, Sanskriti University, India

Associate Professor R. S. Bharj, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Associate Professor Pankaj Kumar Gupta, Malaviya National Institute of Technology Jaipur, India

Associate Professor Zviad Gviniashvili, Georgian Technical University, Georgia

Associate Professor Garima Goswami, Sanskriti University, India

Associate Professor Praveen Kumar Sharma,
Lovely Professional University, India

Associate Professor Mukesh Chandra,
Poornima Group of Colleges, India

Associate Professor Prabhakara Rao Ganji,
Gudlavaluru Engineering College, Andhra Pradesh, India

Assistant Professor Chandan Pandey, Indian Institute of Technology Jodhpur, India

Assistant Professor Nitin Sharma, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Sumit Sharma, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Satyender Singh, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Saurabh Kango, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Ashok Kumar Bagha, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Ranchan Chauhan, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Dwesh Kumar Singh, Dr B R Ambedkar National Institute of Technology Jalandhar, India

Assistant Professor Gaurav Dwivedi, Maulana Azad National Institute of Technology Bhopal, India

Assistant Professor Anuj Kumar Shukla,
National Institute of Technology Raipur, India

Assistant Professor Sushant Negi, National Institute of Technology Silchar, India

Assistant Professor T Sudhakar, National Institute of Technology Uttarakhand, India

Assistant Professor Muralidhar Avvari, Bahir Dar University, Ethiopia

Assistant Professor Fares Bouriachi, University of Science and Technology, Algeria

Assistant Professor Piyali Das, North Eastern Regional Institute of Science and Technology (NERIST), Arunachal Pradesh, India

Assistant Professor Santosh Kumar Tamang, North Eastern Regional Institute of Science and Technology (NERIST), Arunachal Pradesh, India

Assistant Professor Prashant Kumar, Lovely Professional University, India

Assistant Professor Vineet Kumar, Jaipur National University, India

Assistant Professor Sachin Verma, Jaipur National University, India

Assistant Professor Vartika Saxena, Dayalbagh Education Institute, India

Faculty Hakeem Niyas, National Institute of Technology Trichy, India

Research Establishment Officer Deepak Jain
Indian Institute of Technology Kanpur, India

Technical Officer Nitturi Naresh Kumar, Kalam Institute of Health Technology, India

Propulsion System Expert Boumedienne M. Beladjine, Oran University of Science and Technology, Algeria

Lecturer Khalid Hadi Hameed Al-Jourany,
University of Diyala, Iraq

Researcher Ruben Gonzalez Vallejo, University
of Salamanca, Spain

Researcher Karthikeyan C, Indian Institute of
Technology Madras, India

Design Engineer Sakhthivel Rasu, Stanadyne LLC,
NC, USA

EMINENT SPEAKERS

CONFERENCE THEMES

- Robotics, Automation, and Smart Manufacturing
- Machine Learning, Deep Learning, and Neural Networks
- Natural Language Processing and Human-AI Interaction
- AI for Cybersecurity and Smart Governance
- AI in Healthcare & Biomedical Systems
- AI in Education, Learning & Pedagogy
- AI in Energy, Environment & Sustainability
- AI in Business, Finance & Economics
- AI for Smart Cities, IoT & Digital Transformation
- Ethics, Policies & Responsible AI

CALL FOR PAPERS

AIEA-2026 invites original research and review papers from students, teachers, scientists and researchers in academia and industry to be presented in the conference. The conference shall provide a platform to all for sharing their research findings in the field of recent advances in Artificial Intelligence and emerging applications in different research fields. The complete details are available on the conference website.

The papers shall be reviewed by a peer review committee. Selected papers will be accepted for oral presentation. After the acceptance, the authors are required to submit the full camera ready paper again through the conference management system. Selected papers will be subjected plagiarism check using Turnitin/Ithenticate software. Paper having less than 10% similarity will be sent for review. Selected papers will be published in Scopus/Web of Science Indexed conference proceeding journal/book. No Additional fee for publication will be charged after the acceptance of the publication.

- Official conference kit
- Lunch on both days of the conference
- Coffee/Tea breaks (2) with snacks on both days of the conference
- Certificate of Presentation/Participation
- Publication in Scopus Indexed Conference Proceeding Journal/Book/Special Issue
